Basic Crime Scene Class

September 21-25, 2015

A comprehensive forty (40) hour training that includes several hands-on sessions. Attendees will be taking photos, lifting fingerprints, and casting footwear and tool marks in workshops soon after learning the techniques from experienced instructors in a classroom setting. Learned skills will be tested in a mock crime scene practical exercise.

Training to include:

- * Crime Scene Photography
- * Crime Scene Safety
- * Evidence Collection & Preservation
- * Tire/Shoe Impressions
- * Toolmark/Firearms
- * Mock Crime Scenes
- * DNA Evidence
- * Trace Evidence
- * Collection of Major Case/Autopsy Fingerprints

Provided:

- ✓ Classroom handouts & book
- ✓ Digital Thumb Drive
- ✓ Casting supplies
- ✓ Standard fingerprint powders and brushes

Students required to bring:

- Digital adjustable SLR camera
- Standard zoom lens (18-55 or equivalent)
- Macro lens highly suggested (50, 60, or 105)
- Tripod
- Remote shutter cable suggested
- Flashlight
- Detachable electronic flash
- Detachable TTL "off-camera" flash cord
- Rulers
- 2 media cards for digital camera

Your camera will need to be a digital SLR type with adjustable f/stops and shutter speeds. You will need to bring a minimum of two media cards appropriate for your camera. A macro close-up lens is suggested to capture fingerprint exercises correctly. Laptop computers are also suggested for photo review. Point-and-shoot cameras are not acceptable.
