President Zack Spykerman  
Distinguished Executives and Board Members  
Iowa IAAI Chapter

Dear Fellow IAAI Members,

I am writing your chapter to seek Iowa's support and endorsement for my reelection to the IAAI Board of Directors. I am a current Director and would like to be reelected at the 2017 IAAI ITC in Las Vegas, Nevada. The most important thing about our organization is our members, their needs, concerns and what we can do to help keep our association growing and moving forward as the world leader in the fire investigation industry! Our industry is evolving daily and I would be honored to assist in that forward momentum in the scientific field of fire investigation. I am a team player and believe in standing up for what is right for our membership!

In addition, I have attached to this letter a copy of my campaign ad. I am asking for your permission to place my ad on your website if your chapter would be kind enough to endorse and support my candidacy for reelection to the IAAI Board of Directors.

Should you or any of your members have any questions or interest, please do not hesitate to contact me. My contact info is shown above. Thank you for your time and attention!

Sincerely,

*James L. Kuticka*
